

# Cork County Coastal Rowing Championships 2015

## Information Pack

Courtmacsherry Rowing Club are delighted to invite you to the 2015 Cork County Coastal Rowing Championships, for what promises to be a great day out for all the family.

2015 sees the County Finals return to Broadstrand, just outside the village of Courtmacsherry and with a 14 lane course more teams than ever before will be able to take part in each final.

This year the county coincides with the Courtmacsherry Harbour Festival. We would encourage people to stay around for the “Fancy Dress” parade as well as the Fireworks display that will take place in the village after the county finals, they are both a site to behold - and after all it is a bank holiday weekend.

Please find here information relating to the event that will help you with your preparations and as you arrive at Broadstrand.
